Effective Feb. 1, 2012
Amended Feb. 11, 2016

Leave of Absence (LOA) Policy

Members who need a break from League attendance requirements OR skaters whose injury prevents them from maintaining attendance requirements MUST request a leave of absence via email to the Membership Director.

LOA should be requested when a skater will miss 8 or more consecutive practices (due to work, injury, or other reason).

Members on LOA for less than 30 days pay the regular dues amount of \$40. Members on LOA for 30 days or more are required to pay \$20 dues per month during their LOA period. Members will retain voting privileges and limited sponsor benefits. *see the Board of Directors for sponsor benefit information.

LOAs can not be retroactive.

Members who wish to be removed from PRG attendance and financial commitments should request a membership suspension rather than a LOA. Members who self-suspend are simply stating their desire to be removed from League commitments until a time when they are able to return to the league. When they desire to return, they must notify the Membership Director via email of their intention to return to PRG.
